

## NOMINATION FORM FOR 2018 SIGMA GAMMA TAU ANNUAL UNDERGRADUATE AWARDS

**DEADLINE FOR RECEIVING NOMINATION (electronic version): 5pm (central time) on Monday, 24 Feb 2020**

**DEADLINE FOR RECEIVING SIGNED FORM, TRANSCRIPT, & CERTIFICATE (post or FEDEX): Monday, 2 Mar 2020**

**(Important: deadline dates are adjusted each year to correspond to last Monday in February & first Monday in March)**

The information on this form is used to evaluate the nominations and should be filled out carefully. Every question should be answered or else have the word "none" or "not applicable" written in the proper space. No consideration will be given to forms that are incomplete or improperly filled out. Do not split the essay (or other parts) into separate files nor include material such as recommendation letters or a resume – only information asked for within this standard form will be considered by the judges. Margins and font type/size should be preserved from the original template – candidates are free to add more lines or space as needed while balancing thoroughness with conciseness. (Essay should be kept to 1-2 pages of Times New Roman 12 pt font within 1" margins.) An electronic version of this nomination form (before the signatures) must be received via e-mail by 5pm (central time) on 24 February 2020. (Make sure you receive a reply e-mail that the electronic application has been received.) The signed nomination form along with a copy of your transcript **and** a copy of your Sigma Gamma Tau membership certificate must arrive at the National Vice President's office by 2 March 2020. (See website for instructions if you do not have a membership certificate.) The nominee bears the responsibility of making certain that the signed copy, transcript, and copy of the membership certificate arrive before the deadline.

Electronic version must be returned by 5pm (central time) on Monday, 24 February 2020 to: [m.sadraey@snhu.edu](mailto:m.sadraey@snhu.edu)

**Important:** 1) Do **NOT** include this cover page – first page should start with name information labeled as item #1. 2) Recommend that the file be "pdf"ed electronically (in **landscape** orientation) **without** scanning it since the file will then be "clean" and "clear" (signatures are not required in the electronic version). 3) Please do **NOT** split the application into multiple parts nor attach transcript or membership certificate to the electronic copy as that adds more work to the Vice President or Secretary who has to "strip" them before transmittal to the judges. 4) Please do **NOT** send multiple copies of the file (preferred is from faculty advisor, but student may send it, just not from both). 5) Please **retain the e-mail** with attachment in your "sent" e-mail folder until you receive a reply from the Vice President (typically within a few days).

Signed paper copy of this form, transcript, and copy of Sigma Gamma Tau membership certificate must be received by Monday, 2 March 2020 at the following address:
